Group Discussion on “Demonetization”

15-07-2022

Shri G.P.M. Degree College of Science and Commerce, The Department of Banking & Insurance hosted a group discussion on demonetization under the Guidance of our Trustee Mr. Rajkumar Mishra and our Principal Dr. Vandana Sinha Ma'am. Students' intelligence will be tested throughout this group conversation, which will also heighten their interest in the public. Demonetization is the process of removing a monetary unit's legal tender status. Every time the local currency changes, it happens. The present form of money is retired and taken out of circulation, frequently to be replaced with fresh bills or coins. A nation will occasionally entirely switch over to a new currency. On Saturday, July 15, 2022, TYBBI and SYB.COM students engaged in a group discussion in which 15 students were present. Prof. Hemant Yadav, the main lecturer, finally discusses the fundamental ideas of the subject.

14. Bank of India	

As early as December 1954, Parliament took the decision to frame our plans and policies within a socialist pattern of society. Control over the commanding heights of the economy is necessary, particularly in a poor country where it is extremely difficult to mobilise adequate resources for development and to reduce inequalities between different groups and regions.

Impact of nationalisation (Positive impacts)

- Increase in savings: Financial saving rose as lenders opened new branches in areas that were unbanked.
- Gross domestic savings almost doubled as a percentage of National Income in the 1970.
- Improve in Bank efficiency: Due to the nationalization of banks, efficiency of the banking system in India improved. This also boosted the confidence of public in banks.
- Small Scale industries boost: The sectors that were lagging behind like small scale industries and agriculture got a boost this led to an increase in funds and thus increases in the economic growth of India.

Outcome of the Event....

After participation in the event, our students gained with –

- This event made them aware about the socioeconomic problems faced by the country and key role of banking sector for the upliftment of the same.
- This enabled them to review the government's decision of nationalizing the banks back in 1969.
- This experience developed the awareness of good or harmed future of bank nationalization, as its impacts are observed till today in managing the financial markets of India.
- This event made them realize about how to be a responsible citizen, by utilizing their hard-earned income wisely, to maintain the equilibrium between various economical aspects of the country.
