

Action is the foundational key to all Success.

PROSPECTUS

SHRI G.P.M. DEGREE COLLEGE

COMMITTED TO EXCELLENCE IN EDUCATION

AFFILIATED TO UNIVERSITY OF MUMBAI

APPROVED BY STATE BOARD OF SECONDARY & HIGHER SECONDARY EDUCATION, PUNE

website : www.shrigpmcollegeandheri.org

ABOUT US

“The illiterate of the 21st century will not be those who cannot read & write, but those who cannot learn, unlearn & relearn,” Mr. Alvin Toffler. Shri Girdhar Prasad Mishra Degree College at Andheri (East) was established in 2005 under **Self Finance Scheme**. The college is managed by the Smt. Shyampatidevi Mishra Educational Trust established in 2004. The college has made significant contributions in the last half decade since its inception & has earned a name for its high academic & disciplinary standards. The college has been at the forefront in practicing innovative teaching methods. Besides the theoretical knowledge that our students imbibe from our well-qualified & energetic faculty, they also receive sound practical training to support their knowledge. In Shri G.P.M. Degree College students are encouraged to pursue their studies vigorously while also participating in a variety of extra curricular, intellectual, cultural, sporting & community service activities. We are committed towards building a new generation of smart & sound individuals with honesty, sincerity, integrity & knowledge.

MISSION

- To harness the knowledge of science, technology & management for the welfare of the society.
- To achieve excellence in education with the philosophy that Education is a prime contributor to the development of self, society & diverse human enterprise.
- To sustain contents & creativity besides stimulating proximity & participation.
- To wake up the young students to the hard realities of life & the highly competitive scenario which is fast emerging & limiting the opportunities.

VISION

- To elevate the college into one of the best learning centres.
- To encourage college education in pure science, management & provide quality inputs to higher institutes of learning.
- To provide holistic development of a student.

The vision can be achieved with the real commitment, involvement & dedication. With the goals set, monitored well & executed in a time bound process with utmost care fulfills the vision.

OUR MANAGEMENT

CHAIRMAN

Shri Rajkumar G. Mishra, Chairman of Shri G.P.M. group of educational institutions is the person behind the successful growth of all these colleges from strength to strength. By virtue of his untiring efforts, he nurtured these institutions from time to time with clear concepts & perception. He is endowed with magnificent traits of planning, organizing, motivating, asserting, objective fixing & monitoring of each & every aspects & the minute detail. In short, he is visionary with outstanding capabilities of administration, development strategies & futuristic plans.

We believes in,

- Strict discipline & punctuality.
- Academic excellence, high standards & quality education with individual attention.
- Moral & human values with personal rapport between the teacher & the taught.
- Dedicated social & community service with untiring efforts.
- Commitment to the cause of higher education.
- Top priority for time management, team work & creativity.
- Knowledge based society.
- National integration.

- Work as a System Analyst in a big company,
- Develop software for companies like Microsoft,
- Work as a System Manager, Internet Expert & Web Designing specialist,
- Work as a trouble shooter for some top-notch computer companies,
- Provide solutions to corporate clients & design-customized software,
- Design Vast networks for clients like Indian-Railways.

BACHELOR OF COMMERCE..... B.M.S., B.A.F., B.F.M., B.B.I.

The Professional Studies has become the order of the day for the new generation of students who love to live life with authority & confidence. While MBA (Master of Business Administration) is a much sought after PG Program these days, study of these subjects are getting almost an equal amount of focus among the management fraternity of the country. When it comes to the study of management at undergraduate level, a BMS course can provide a solid platforms on top which aspirants can develop their career and pursue an MBA later.

OBJECTIVES

- ❑ To provide basic understanding about Management Education and to train the students in communication skills effectively with inculcate entrepreneurship skills.
- ❑ To prepare the students to explore opportunities being newly created in Management Profession.
- ❑ To allow the students to specialize in a specific academic area including Accounting, Entrepreneurship, Finance, Management, Management Information System, Marketing, Operations Management, Supply Chain Management etc.

BACHELOR OF MANAGEMENT STUDIES (B.M.S.)

ELIGIBILITY : (1) Student shall have passed H.S.C. examination of the Maharashtra State Board of Secondary & Higher Secondary Education in one & the same sitting or its equivalent in any stream with min. of 45% marks in aggregate (40% marks for reserved category).

ELIGIBILITY : Student shall have passed H.S.C. examination of the Maharashtra State Board of Secondary & Higher Secondary Education in one & the same sitting or its equivalent in any stream with min. of 45% marks in aggregate (40% marks for reserved category).

WHY IS B.COM. WITH PROFESSIONAL SUBJECTS BETTER THAN CONVENTIONAL DEGREE ?

- **A Professional course** : B.Com. with professional studies goes beyond bookish knowledge. Instead, it sharpens your managerial skills through presentations, case studies, industry visits, guest lectures by professionals, etc. that help the student deal with real - life situation better.

- **A structured syllabus** : Almost 70% of the subjects taught in the professional course are from the areas of management like marketing, finance, systems or human

resource management, is similar to that in the MBA program. Theoretical concepts learnt in classroom are supported by practical experience in the form of projects, presentations, industrial visits and summer placements, there by making the course a complete learning experience.

- **An edge over other undergraduate courses** : The limited number of seats in these Subjects means that only the best students get selected. They are then trained by some of the finest faculty members. Add to this, the guest lectures delivered by industry experts not only aware them but prepare according to the need of the present corporate, also help them to uplift their performance.

WHAT AFTER GRADUATION ?

The obvious choice after Graduation is opting for post graduation - an MBA. Having a prior knowledge of different aspects of management, professional commerce graduates often find it easier to crack MBA entrance exams. After completing your professional Graduation program, you also have the option of joining as a Management - Trainee / Executive - Trainee in any of the following sectors :

- Banking consultancy, finance, eg : Citibank, HSBC, etc.
- FMCG & Consumer Durable companies, eg : HUL, P & G, Marico, etc.
- IT companies, eg : Infosys, Wipro, Microsoft, Compaq, etc.
- Advertising agencies, eg : JWT, Lintas, Mudra, O & M, Leo Burnett, etc.

BACHELOR OF ARTS..... B.M.M.

BACHELOR OF MASS-MEDIA (B.M.M.)

Bachelor of Mass-Media is perhaps as one of the most sought after & ambitious educational programmes in the country. This course houses some of the best creative minds who will be the future actors, journalists, designers, ad & film makers. Students enter this course with merit, passion & dreams. The course aims to provide students with a firm grounding in studies related to Mass - Media through understanding society's diverse cultural foundation & inculcate social responsibility. The skills developed are creativity, critical thinking & originality in all aspects of media. Creativity is not just the way they like to think, it's the way they like to live.

OBJECTIVES

- ❑ To provide an opportunity to combine the theoretical curriculum with practical application through detailed research & lucid writing skills, oral presentation skills & a mastery of various mass communications media in our global.
- ❑ To impart sufficient skills in the students to convey their ideas among masses in the more precise & simple manner.
- ❑ To nurture the creative skills of the students with a perfect blend of theoretical programmes & practical applications.

ELIGIBILITY : 1. A candidate for being eligible for admission to the degree course of B.M.M. shall have passed XIIth std. examination of Maharashtra state Board of higher secondary education or its equivalent, from the Science, Commerce or Arts stream.

2. The Stream-wise weightage to be given is as under :-

Stream	Arts	Science	Commerce
Percentage	50%	25%	25%

WHAT AFTER GRADUATION ?

There are numerous career options after completing B.M.M. Course.

- This course cover all the sphere of Mass-Media. students can start their career by joining Journalism & Advertisement world.
- They can opt for Reporting & Editing both in Print-Media & Electronic Media.
- The same allow them to interact & make contacts with lot of famous personalities acting in different walks of life.

EXTRA CURRICULAR ACTIVITIES

Shri G.P.M. Degree College believe in imparting quality education with practical exposure to our student

Traditional Day

Shri G.P.M. College celebrated one of the most anticipated days of the year, Traditional Day. The traditional day was held on the 17th of October, 2021. Traditional Day is observed as a celebration of India's diverse culture, and is usually relaxed day at work. It's a day designated for people to come in traditional attire from their home state, or specific culture of their choice. Everyone at the college came dressed in their best attires. Students, interns, teachers and non-teaching staff participated with great ecstasy. Lots of pictures were clicked by everyone to create memories of this beautiful day.

Hindi Divas

On 14th of September 2021, we have celebrated Hindi Divas in our college for the awareness of Hindi language. Students are learning corporate education along with national spirit & they have learnt the value of our national language. We need to cherish the importance of our national language for our cultural heritage and unity of India.

Intercollegiate Workshop :

At Shri G.P.M. College, On 03rd November, 2021 expert - view / lecture on intercollegiate workshop on media planning & buying was conducted for T.Y.B.M.M students. They were given guidance on case studies, practicals university exam preparation, etc by Prof. Avadhesh Yadav & Prof. Gajendra Deoda.

वृक्ष - मित्र प्रतियोगिता

Trees are an important component of the natural landscape because of their prevention of a weather-sheltered ecosystem in & under their foliage. They also play an important role in producing oxygen & reducing carbon dioxide in the atmosphere as well as moderating ground temperatures. All the students of junior college participated in the event & planted 40 saplings. Watering, fertilizing & all the caring of these plants are being done by the students throughout the year.

Khel Mahotsav

On 22nd & 23rd December, 2019 College had organized sports day, 397 students participated in 10 Outdoor & Indoor Games with the spirit of the occasion in a grand way. The air was filled with cheering and tons of encouragement for the young athletes.

Blood Donation

Blood donation is the act of giving life. One cannot make blood, it is a gift we all have inside of us to give to those who are injured, sick, or in need. Our 125 Students actively participated in the drive on 5th January 2020. It's an act of noble kindness. Volunteering blood donation will serve as an inspiration to other people.

Annual Day:

We celebrated our 10th annual day on 25th January, 2020 at Deenanath Mangeshkar Hall, Vile-Parle, the distinguished guest graced the events. About 900 students were present in the beautiful gathering. 198 students performed in the cultural events their excellent performance was beyond our expectation. The best students were awarded with prizes & certificates.

Joy of Giving Week:

There are a lot of things in the world that can make us smile but nothing beats the invaluable joy of making someone happy. To celebrate and spread the joy of sharing, College had kept Joy of Giving Week from 31st January, 2022 to 6th February, 2022. Everyone gave back in a way they choose- time, material, money or love. We contributed to Home for the aged, Snehasadan Girls & Snehasadan Boys.

Workshop on Career in Banking

Since the banking sector has seen an enormous boom in India there are tremendous career opportunities for the youth in banking sector. Banking being one of the most sought after career choices among the students, College had organized the seminar on 3rd February, 2022.

SEMINARS

Seminar on Soft Skills Development :

Soft skills are interpersonal qualities and abilities that everyone possesses. These skills define a person's ability to successfully interact with those around them, One day Seminar was conducted on 7th February, 2022 and 75 students took the advantage of the benefits of improved soft skills through focus and training.

Seminar on Film Production & Advertisement :

Visuals are stronger than words and realizing its importance for B.A.-M.M.C. students, college had organized One day Seminar On 8th of February, 2022 which was attended by 80 students learnt about ideas generation, proposal writing, pitching, budget control and client management. Essential in today's fast-paced world, they learnt how to produce creative films.

Seminar on IOT & Python Programming :

T.Y. B.Sc.I.T. & T.Y. B.Sc.C.S. students Participated in Seminar & learnt the importance of IOT & Python Programming in society, the current components of typical IOT devices and trends for the future by Dr. Ashwin Mehta on 9th February, 2022. The explosive growth of the "Internet of Things" is changing our world and the rapid drop in price for typical IOT components is allowing people to innovate new designs and products at home.

Seminar on How to reduce stress & perform well in exams :

Stress is inevitable and in modern times students are experiencing an extra extraordinary amount of it. Don't let stress control you. Transform your stress and stop burnout before it begins. One day seminar on How to reduce stress & perform well in exams was held on 10th February, 2022 in which 80 T.Y. students had participated. While the colleges are competing to ensure good results, we made sure that students don't face exam pressure and transform their life in positive ways.

Alumni association

The Meet was organized on 10th February, 2022, many of the alumni played active role in contacting their batch mates and others. There was special enthusiasm among the alumni's who came. It was a great pleasure to know about their accomplishments in professional lives.

GUEST LECTURES

GUEST LECTURES ON COSTING & AUDITING SUBJECT

Students of T.Y.-BAF had Guest Lectur session on Costing & Auditing subject on 15 Feb., 2022.

The session was conducted by Mr. Yashwant S. Kadam. He is a Lecturer of Sathaye College of Science & Commerce & Degree Co-ordinator of Nirmal Degree College. His excellency in Costing & Auditing subject gave immense benefit to our students. He also motivated students to Aim High & Achieve High. The session was very beneficial for students.

GUEST LECTURES ON FINANCIAL ACCOUNTING SUBJECT

Mr. Paras Shah had conducted Lecture on Financial Accounting on 20 Feb., 2022 for T.Y.-B.Com. Students.

He is a Prof. of Nirmal Degree College of Science & Commerce & Chief Conductor of Mumbai University Exams. He briefed upon various Financial Accounting aspects such as Capital Market, Debts, Bank Deposits, Etc. The overall session was very informative & Interactive as he cleared many doubts related to financial Accounting subject.

PERSONALITY DEVELOPMENT

Our Institution is not only focused on upgrading Student's Academic Knowledge but also their Personality Development. For that purpose we organize Seminars, Quiz Contest, Orientation Programmes etc.

DR. SUBHASH CHANDRA SHOW

Our Third Year Degree students had attended Dr. Subhash Chandra show at Hotel Sahara Star, Vile Parle. The students were gathered to hear Dr. Chandra's view on the "Future of Entrepreneurship". He explained the concept of Entrepreneurship & how to identify its key influences. He stressed on the balance between focus on task & focus on people & that the balance should change according to the given situation.

He also introduced the student to Google top rated futurist Mr. Thomas Frey & film maker Jason Blum who is known for his films like Paranormal Activity & Insidious.

These kind of activities helps students in exposure of their knowledge & attitude towards competitive world.

CONVOCATION CERTIFICATE DISTRIBUTION CEREMONY

We celebrated our Convocation day Ceremony with zeal and enthusiasm in our college. The convocation is the Day, the memories of which are treasured by the graduating students all through their life.

The ceremony began with the welcome speech by our students. They gave a brief introduction of the Chief Guest, Hon. Dr. (Mrs.) C.T. Chakrabarty. Shri Rajkumar G. Mishra, Chairman our College felicitated the Chief Guest. The function was graced by the presence of our Chief Guest Hon. Dr. (Mrs) C.T. Chakrabarty, Principal, Thakur College of Science & Commerce, Kandivali (E), Mumbai, our Guest of Honours, Dr. (Mrs.) Kanchan Fulmali, Prof. of Dahanukar College of Commerce, Dr. (Mrs) Sangeeta Pawar, Department of commerce, University of Mumbai. & Shri D.J. Mathewmartin Department of Journalism & Communication, University of Mumbai. The function was also enlightened by the presence of our Hon'ble Principal Dr. (Mrs.) Vandana Sinha.

The Students & The teacher were then enthralled by the rousing speech of the Chief Guest Dr. (Mrs.) C.T. Chakrabarty. She encouraged the students by giving emphasis on their upcoming bright future and on flexible, adaptable and balanced life. She emphasized that contributing back to the community is very essential. In her brief & captivating address, she inspired the graduates, students & faculty of the Institute.

It was a very proud moment for all the graduates to receive the Convocation Certificate from our Honorable Guests. The Graduates were advised by our Principal Dr. (Mrs.) Vandana Sinha to value honesty & Integrity at their work place. Students as well as college staff have prepared exceptionally well for the ceremony.

The function ended with a vote of thanks proposed by our Ex students.

INFRASTRUCTURE

LIBRARY

Reading is regarded as one of the most enriching habits for the simple reason that it brings to you a vast reservoir of knowledge. Reading increases the drive for knowledge & inspires people to gain more information. A library not only helps to inculcate the habit of reading but injects a thirst for knowledge & open to new ideas.

At Shri G.P.M.'s library there exist a large number of Reference books, Journals & Educational Magazines that provide information about wide ranging subjects for students to understand the concepts in their curriculum.

SCIENCE LABORATORIES

Students in Chemistry Lab

- Well equipped labs with latest equipments.
- Labs - Physics & Biology, Chemistry.

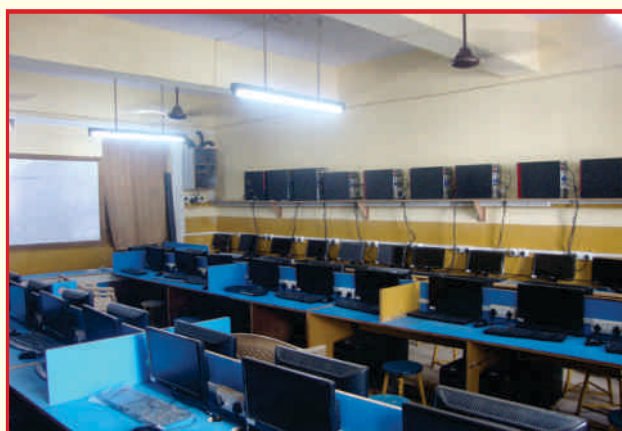

Students in Electronics Lab

COMPUTER CENTRE

Shri G.P.M. College has a modern & advanced computing facility, the objective of college has always been to be in the forefront of utilisation of I.T. & to leverage the power of I.T. in making learning informative & effective. Our computer centre comprises the following.

- 60 Intel Pentium processors based PCs with latest configuration enable them to keep abreast of emerging technologies.
- The entire network rest on four (Firewall, Internet, Mail, Attachments file & Print) servers.
- The student & faculty members can access the internet.
- Latest software is available to enable the students to work on data analysis, web technologies & software designing.

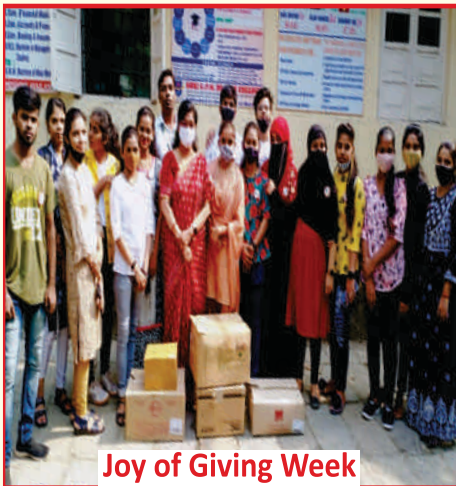

WHY TO JOIN SHRI G.P.M. DEGREE COLLEGE OF SCIENCE & COMMERCE

- 1. Intensive Corporate Interaction :** At our centre, we maintain regular interaction with the corporate world. Besides regular Management Development Programmes (MDPs), Seminars, Consultancy, Quiz Contests, Research & Resource sharing, the organizes following specific programmes:
- ❑ **Corporate Mind Sharing :** In this forum 3 to 4 CEOs from diversified industry sectors are invited to speak & interact with students on specific topics.
 - ❑ **CEOs Dinner Series :** As a truly unique experience, our centre invites CEOs of Companies to dine with our students. So that students not only overcome the anxieties of interacting with a leading personality, but also develop close friendship with a mentor for life.
 - ❑ **Corporate Mentoring Program :** Students are paired with a corporate professional based on their area of interest & specialization. They are provided with the insight & experience deemed essential to face the corporate realities. They are also given advice on how to succeed in their chosen profession.
- 2. Industry Oriented Teaching :** Teaching at our centre is highly practical & focussed on what the industry needs as it evolved through constant interaction with leading professionals who are a part of the industry & Academic Advisory Boards. Besides imparting theoretical knowledge, the curriculum stresses on developing analytical skills, communication, problem solving & team work abilities. Hence, case studies, industry projects, presentations, research work & role-play form an integral part of a student's tenure at our centre.
- 3. Personality Enhancement :** At our institute, we are passionate about grooming leaders who are not only thorough professionals but also good human beings with Values and Sanskars.

*Quality is never by accident,
It is result of Planning,
Teamwork and
Commitment for Excellence.*
