

SHRI G.P.M. DEGREE COLLEGE

DLLE UNIT

Reach to Unreached

The Department of Lifelong Learning and Extension (DLLE)

- The department was established on October 12, 1978 and has been recognized as a Statutory Department and one of the authorities of the University of Mumbai since 1994 to promote a meaningful and sustained rapport between the Universities and the community.
- It is functioning under the Board for Lifelong Learning and Extension to create skilled and learned human power through its various degree level programmes and skills development programmes.
- At present our DLLE extension activities are being conducted on regular basis in annual program of 235 colleges with 500 degree college Extension Work teachers and 23,516 Extension Work Students **from Mumbai, Thane, Palghar, Raigad, Ratnagiri and Sindhudurg districts** involved in Six Extension Work Projects of Skill Development, Industry Orientation, Career Guidance, Information Technology, Entrepreneurship Development, Status of Women in Society, Environmental Protection, Population Education & National Institute of Schooling.

Aim

The Third Dimension of Extension is aimed at promoting a meaningful and sustained rapport between the Universities and the Community i.e., to have educational programs for a Social Change.

Objectives

- To act as a focal agency in the University system for all Lifelong Learning programmes and to provide academic and technical resource support for community-based activities in collaboration with universities departments and colleges.
- To develop among students a sense of responsibility towards society.
- To design programs that will help students to face life and its challenges and thus create an ambience for a learning society.
- To deepen the teachers' and students' knowledge through a wider exposure to real life situations through a variety of programs.
- To prepare students for a greater social commitment.
- To enhance student employability skills
- To cater to the needs of the unreached for promoting knowledge-based society.
- To network with Governmental and Non-governmental agencies, international organizations as well as industries.

Motto (Reach to Unreached)

DLLE's philosophy is to serve as an intellectual intervention in the community's living problems which need to be overcome through an education process.

DLLE helps to facilitate the sensitization of the student to the socio-cultural realities, the Department offers for the student, extension work projects encompassing social issues.

Eligibility & Programs

- The DLLE department in the college enrolls students as per the DLLE guidelines and directions of the University of Mumbai.
- Eligibility for enrolment- 10+2 from any stream.
- DLLE is a one-year program.
- Completion of 120 hours work per year are mandatory.
- The Extension Work student should complete 120 hours of work except for Industry Orientation Project where the minimum requirement is 240 hours, for the benefit of 10 Grace Marks under
- Ordinance 229- A. Various projects are undertaken by the DLLE Coordinators on and off the campus, which are as follows:

I) Vocational Career Oriented Projects

1. Career Project [CP]
2. Industry Orientation Project [IOP]
3. Anna Poorna Yojana [APY]

II) Community Oriented Projects

1. Population Education Club (PEC)
2. Survey of Women's Status (SWS)
3. National Institute of Open Schooling (NIOS)

(New Projects)

1. Environment Education (EE)
2. Civic Sense (CS)
3. Consumer Guidance (CG)

Benefits of joining DLLE

- An entry into the world of work.
- Development of soft skills and leadership qualities.
- Practical-experience.
- Opportunity to try out a career.
- Benefit of 10 additional marks per year on completion of required hours.
- A certified Project Report that can be shown at the time of a job interview.
