Respected Principal / Authority,

I have personally found this technology-based career guidance activity of CARE Career Development Center very innovative and student friendly. Also, it is been observed that Career Guidance is very important aspect for students, and it shouldn't be neglected. I would recommend your Institution to take initiative and start a Career Guidance Center.

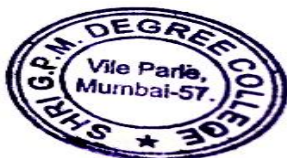

The Free Online Courses on Interview Skills, Communication Skills, Resume Building, and Free Mock Test on Entrance Exams like MBA, LAW, BANKING, GOVT EXAMS, MPSC, HM, NATA, NDA, B Ed, CS etc. will help the students. Please give it to your students.

I also personally recommend the Free Empowerment of Girls Program conducted by their NGO for Girl Students which is the need of the hour.

I request you to provide permission for this Career Guidance activity and Awareness for Free Courses for all the students of your institution. Thankyou.

Yours Sincerely,
