Effective Curriculum Delivery is an important strategy by which a curriculum enables students to achieve their learning goals. The college expert applies 27 elements for the same. It can be discussed as:

1. **Academic Calendar:** In curriculum delivery the Academic Calendar provides reminder of important events, activities for teachers, students and parents along with alumni. It provides a complete scheduled of curriculum delivery and its evaluation.
2. **Time Table:** HEI ensures time management for curriculum delivery daily, weekly and monthly scheduled.
3. **Experienced Faculty Pool:** The faculty encourages and inspires the students to put their best and excel in the field of Science and Commerce.
4. **Teaching Plan:** HEI teaching plan stands for quality of performance and economy of efforts for curriculum delivery.
5. **Syllabus accomplishment report:** Institution used it as a reference tool in determining the ensure syllabus.
6. **Online/ Offline Lectures:** It is to meet the needs of students to better understand the course knowledge. It is online as well as offline. It shares experiences that provide context and insight.
7. **Important Notes -** Important, Summarily and synoptically extract of knowledge is prescribed to students is a best way to present curriculum.
8. **ICT classrooms:** Integration of ICT in curriculum delivery improves engagement and knowledge retention of learners.
9. **Students' Attendance Track:** It is one of the students well-being indicator in learning process.
10. **Defaulters Track via College App:** Irregularity in attendance in academic unable to make problem in curriculum delivery.
11. **PTA Meetings:** HEI frequently organizes parents- teachers' meetings to improve irregular- defaulter students
12. **Notices to Students:** through Bulk SMS, WhatsApp group communication are used to deliver notices, notes etc.
13. **Continuous Internal Assessment:** HEI undergoes CIA which can provide early indications of the performance of students. It improves learning skills and increase students' engagement in curriculum.
14. **Library as knowledge and information center:** *College* library has its own importance in higher education. It helps in widening the range of knowledge and information to teachers and students. Our college library has tried its level best to provide necessary material to all the components of the college and looked after the quantitative & qualitative growth in library facilities.
15. **State of the art Laboratories for experimental learning**
16. **Feedback system** help to review and continuous appraisal in curriculum delivery
17. **Class test** at regular intervals to improve learning skills.
18. **Evaluation by semester end examination** to increase student involvement in curriculum teaching learning process.

SEMESTER-VI

3 - PROCESS COSTING

Meaning

A process means a distinct manufacturing operation or stage. In process industries, the raw material goes through a number of processes in a sequence before the finished product is finally produced. For example, production of coconut oil involves the following distinct processes:

1. Copra Crushing
2. Refining and
3. Finishing

Process Costing

1. Process Costing is a method of costing used to ascertain the cost of the product at each process operation or stage of manufacture where processes are carried on. According to ICMI London, "it is that form of operation costing where standardised goods are produced".
2. Process Costing is used to ascertain the cost of product at each stage of manufacture where material is passed through various operations to obtain a final product.

Applicability and Necessity

Process Costing is applicable to several mining manufacturing and public utility industries, e.g. mines and quarries producing minerals and ores; industries producing textile, chemical, soaps, paper, plastics, alcohol, refined oil, electricity, gas and so on. It becomes necessary to apply process costing to the industries belonging to any of the following categories:

1. **One Product, Many Processes:** A factory may produce a single item through a number of processes or departments. It becomes necessary to find out the cost of each process or department separately to control wastage etc.
2. **Many Product, Many Cycles:** A Bakery can use the same equipment's to produce either bread or cakes. It may produce only Bread in one cycle and change over to production of Cake in the next cycle. Each cycle is treated as a separate process. So as to find out the cost of the item produced in a particular cycle or process.
3. **Many Products, Same Process:** An oil refinery can obtain many joint products such as refined oil, gas, steam etc. in the same process. Process Costing is employed to ascertain the individual cost of each such product

Advantage of Process Costing

1. **Periodical Determination of Costs:** Process costs can be collected and determined for even a short period like a day, a week or a month. In Job Costing, on the other hand, costs can be collected and determined only after the job is completed, which may take months even years.
2. **Simple and Cheap:** Process costing is a much simple, easy and less expensive method of costing as compared to other methods. There is no need for an elaborate system of identifying the direct costs of a job or a batch.
3. **Managerial Control:** Being a simple system to establish and operate, process costing facilitates greater control of the management over costs, wastage etc
4. **Standard Processes and Products:** Since the processes and products are standard, it is easy to make decisions regarding pricing, quotations, tenders etc.

Disadvantage of Process Costing

1. **No Detailed Analysis:** Process costing does not give a detailed analysis of the costs as (i) it emphasises the period rather than the unit or the product, and (ii) it gives an average cost rather than the specific cost of the product.

NOTICE

Dear Students,

We are glad to inform you that now we are registered with **NPTEL- Swayam** courses. This is the largest online repository in the world of courses in Technology, Commerce, basic sciences and selected humanities and management subjects. The feature of this course is that this will help you get certified with latest courses of new era.

Kindly visit the website to know more about **NPTEL- Swayam Courses list and Time line:**

<https://shrigpmcollegeandheri.org/academics/>

Course Registration Process:

- 1) Visit this link to start your registration- <https://swayam.gov.in/>
- 2) Click on All courses and select the course which you are interested in. (Note: Select only NPTEL course by applying filter to National coordinator as NPTEL) 3) Select your course and click on it.
- 4) Click on Join tab.
- 5) Fill the given details. (Note: In Education Details the question is given as “Part of a SWAYAM local chapter?” Select **YES** for that question and select our college name- Shri. G. P. M. Degree College, Andheri, Mumbai, Maharashtra).
- 6) Click on save.

IMPORTANT

1. NPTEL routinely sends email notifications to all candidates (to their registered email id) regarding any new developments with respect to extension of deadlines, other announcements, etc. Candidates are expected to check emails on a regular basis. We also suggest that you check your inbox and spam/junk boxes for emails. The consequences of neglecting NPTEL email notifications will have to be borne by the candidate.
2. The deadlines given in Time line will be strictly adhered to. Candidates are advised to keep visiting NPTEL portal for regular updates on schedule of events in case of any unexpected natural/national situations.
3. Delays or disruptions in service due to breakdown of NPTEL computer servers (due to reasons beyond the control of NPTEL) shall be rectified as early as possible and notified on NPTEL portal. The decisions of NPTEL Coordinators in this regard shall be final and binding.
4. Exams will be conducted based on prevalent guidelines issued by the government.

Notice

Inter-Collegiate Cultural fest UDAN - 22

Dear Students,

We have an upcoming **Inter-Collegiate Cultural fest UDAN - 22** in the month of **November, 2022** It gives us immense pleasure in inviting you as one of our extreme leader in creating the success story by showcasing your leadership skills for the following **departments/admin posts**.

Admin

1. Security
2. Finance
3. Digital arts
4. Creatives
5. Printing and stationery
6. Marketing
7. Public relations
8. Cafeteria
9. Technical
10. Hospitality

Events

11. Pro shows
12. Workshops
13. Editorial
14. Photo media
15. Fine Arts
16. Music & Contemporary Arts
17. NFORMAL's!
18. Gaming & Sports
19. Business Events
20. Literary Arts
21. Dance & Dramatics

It is a great honor for our college to host an event at this phenomenal level having you all as the prestigious part of our fest.

To register yourself for the any above post kindly follow the drill download the **FORM**, print, fill it and submit to :

Ms. Rinkle Patel
(8369684332)
Fest Coordinator

CL 1- **Ms. Dravya Salunke**
(7208638691)

CL 2- **Ms. Ekta Jha**

19. COMMITTEES OF TEACHERS-STUDENTS FOR THE FULFILLMENT OF ACADEMIC CALENDAR

Atul Yadav

I/C Principal
Shri G.P.M. Degree College
M. G. Road, Vile Parle (E),
Mumbai-400057.

Several committees for the fulfilment of academic commitments:

1) Attendance:

This committee ensures timely compilation of attendance records by the subject teachers of all the groups and class counselors. This committee further ensures that parents are informed periodically about the attendance of their ward and corrective action is discussed and initiated. The Committee keeps a track of regular absentees throughout the semester and counsels them, if required, along with their parents/guardians.

2) Examination:

The main function of this Committee is to ensure all the papers are prepared and collected well in advance. To carry out Internal/External Theory and practical examinations of all the semester. It monitors Valuation of answer sheets. Declare results to the students who pass the semester end examination.

3) PTA:

The prime objective of this committee is to help the Principal in maintaining the general discipline in the college and in looking after the welfare of the students. It is desired that the parents/guardians of all the students to be aware of the overall progress of their ward. To coordinate with the class counselors for conducting these meetings and ensure the involvement of parents in wellbeing of their children.

4) Staff & Students Discipline Committee:

To make the rules and regulations as per the disciplinary requirement.

To make the students aware about the discipline.

To make the students obey the disciplinary rules and remain orderly and peaceful in the pursuant of educational objectives.

To take disciplinary action against any of the misconduct by staff or students.

5) Syllabus:

To ensure that the syllabus covers portions of topics in a particular subject in a particular semester.

The committee is responsible for the planning and monitoring of Syllabus.

Programmes to ensure all aspect are effectively timetabled and monitored.

6) Time Table & Academic Calendar :

The main objective of the committee is to collect information on various academic/ curricular and extension activities planned by different committees. To allot theory subjects and to the specialized faculty. To prepare a time table for each group, class for each semester and ensure better utilization time, resources and facilities.

The committee is responsible for the submission of the year planner of the current academic Calendar to the principal for final approval. To prepare and publish the Academic Calendar before the commencement of the new academic year.

A Critical Analysis of Cyber Phishing and its Impact on Banking Sector

Atul Yadav

Shri G.P.M. Degree College of:

Abstract: The fast development of network communication leads to the expansion of information technology which in turn leads to the influence of access control system in IT sectors and banking sectors which sails in the sea of Network security the most essential scenario in our daily life. So we are in a position to keep the company workers/customers knowledge base up-to-date on any new dangers that they should be cautious about. There are many technologies available to counteract intrusion, but currently no methods are absolutely secured. This paper focused on the electronic crime with brief examinations of two cases studies. The study also presented a number of suggestions to assist in tackling policing strategies for further development. The most dangerous frauds that cause a day to day banking activity is phishing, a criminal activity using social engineering techniques. Phishers attempt to fraudulently acquire sensitive information, such as usernames, passwords and credit card details, by masquerading as a trustworthy entity in an electronic communication. According to the latest research, 93 percent of phishing attacks specifically involving attempts to rob customers of financial services companies. The aim of this paper is to discuss the various ways by which the phishing affects the internet banking and also discuss the implementation of safety security measures adopted by the users.

Keywords: Cybercrime, cyber phishing, banking sector, information technology, credit card theft.

I. INTRODUCTION

Computer crimes are criminal activities, which involve the use of information technology to gain an illegal or an unauthorized access to a computer system with intent of damaging, deleting or altering computer data. Computer crimes also include the activities such as electronic frauds, misuse of devices, identity theft and data as well as system interference. The usage of internet services in India is growing rapidly. It has given rise to new opportunities in every field we can think of – be it entertainment, business, sports or education. There are many pros and cons of some new types of technology which are being invented or discovered. Similarly the new & profound technology, i.e. using of INTERNET Service, has also got some pros & cons. Banking is one of the most risk areas as far as privacy is concerned.
